**FORMATOS / FORMATS / FORMATS:** 750ml, 2,5L

MM es un esmalte multi-soporte acrílico al agua satinado de alta calidad. Fácil de aplicar. Por su adherencia y elasticidad, está indicado para proteger y decorar toda clase de superficies en exteriores o interiores como: puertas, ventanas, radiadores, cocinas, baños, rotulaciones, mobiliario, etc. No amarillea. Se obtienen acabados de gran finura y suavidad al tacto, gran dureza y resistencia a roces, rayadas, jabones, manchas de licor, zumos, aceites, etc

No necesita imprimación en las superficies nuevas y limpias de los soportes indicados.

MM is a high quality multi-substrate acrylic water based satin enamel. Easy to apply. Due to its adherence and elasticity, it is recommended to protect and decorate all kinds of indoor and outdoor surfaces such as: Doors, windows, radiators, kitchens, bathrooms, signboards, furniture, etc Non-yellowing. Very fine and soft finishes are obtained, featuring great hardness and resistance to friction, scratches, soaps, as well as to stains from liquors, juices, oils, etc.

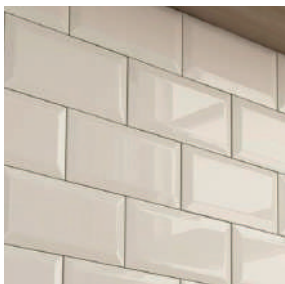

In mentioned supports, there is no need for primer in clean and/or new surfaces.

MM est une peinture/laque multi-support acrylique hydro satin de haute qualité. Facile à appliquer.
